You can generate an image at [www.scoutbase.org.uk/library/clipart/progs](http://www.scoutbase.org.uk/library/clipart/progs)

The above are just examples of what could be used. You may, for example, want a District Badge/Logo, Group Badge/Logo, Campsite Logo etc etc - providing you can supply the image in a .jpg or .png format then it can be used on your calendars.
