## NAME TAPES

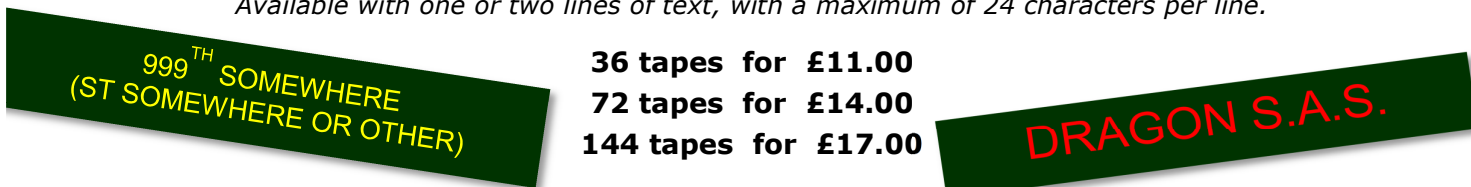

We can supply name tapes in a wide variety of formats. Minimum order of just 36.

The nametapes are made in the UK to a high specification. Our supplier has been producing similar products since well before the birth of the Scout Movement; they are a market leader and use computer technology to promptly produce quality materials.

The standard format for nametapes (as per POR 10.25) is "The name of the Group, Explorer Scout Unit, Scout Network or Scout Fellowship [or Scout Active Support Unit] may appear in red, green, blue, white or yellow lettering on a single tape no more than 12mm deep on a green background." We recognise, however, that for whatever reason some, have their nametapes in a non-standard format. Our order form, therefore provides a wider range of formats than those permitted by The Scout Association.

Available with one or two lines of text, with a maximum of 24 characters per line.

Tape Colours: Green

Also available in: Black, Cream, Grey, Lemon, Lilac, Navy, Rose, Sky-Blue, White, Yellow

Text Colours: Red, White, Yellow (Gold)

Also available, depending on the colour of the tape, in: Black, Blue, Brown, Gold, Gold-Lurex, Green, Grey, Neon Pink, Neon Yellow, Pink, Red, Silver Lurex.

Please contact us before placing an order for non-standard colours so that we can check whether that particular combination can be processed. For example, black text on a black background is not available!
