

NECKERS

Neckerchiefs, scarves, neckers - whatever you want to call them - have been an integral part of Scouting for over 100 years. A properly rolled 'necker' can make all the difference to ensure a uniform looks smart.

We provide quality neckers at great prices. With a vast range of colours and colour combinations to choose from, we're sure to be able to provide neckers for your Group or Unit. ①

Our prices **include** carriage, so there are *no hidden costs*; what you see below is what you pay. We have a minimum order of 25 neckers; this enables us to offer excellent value for money. Discounted rates are available for orders of more than 50. Please contact us to discuss significantly larger orders.

Neckers are available in both child and adult sizes, and a combination of sizes can be used when determining minimum order or qualifying for discounts.

Neckers are available in a range of formats and with either ½" or 1" borders. For an additional charge we can even embroider a logo or text on the point of each 'necker', or sew on a badge. (We can also produce badges for you.) Please see separate leaflet for information on UK national neckers.

Each necker is made of high quality materials. Rigorous quality control procedures are used at both production and despatch stages to ensure that our high standards are maintained. Each necker is individually bagged to help ensure it stays clean and tidy until it is resold/issued.
