'UK Neckers'

We can supply quality UK neckers for you at great prices, and with prompt delivery. Gone are the days of placing your order and waiting 8+ weeks for delivery; we're giving you a **guaranteed** delivery date. Plus, we're offering you great prices (which are *inclusive* of carriage).

Neckerchiefs, scarves, neckers - whatever you want to call them - have been an integral part of Scouting for 100 years. The UK Necker (above) is something that is worn with particular pride.

We can supply 'plain' UK neckers (i.e. without any additional text) or we can embroider additional text for you on the 'point' of the necker above and beneath the Union Flag.

Plain UK Neckers

These are usually available from stock (although you're advised to order in plenty of time if you need one for a specific event). A UK necker costs **just £5.00** (including postage). If you want two the price reduces to just **£4.70** each. If you want a dozen or more, then the price reduces to just **£4.50** each! Try beating those prices elsewhere!

Our prices **include carriage**, so there are no hidden costs; what you see below is what you pay.

UK Neckers with your text

The same item as above, but with **your** text embroidered above and below the UK flag. This could be, for example, the details of your Unit Name and Expedition.

If you're ordering 20 UK neckers (adult size), with your text embroidered above and below the UK flag, then the cost is **just £6.75** each (including postage).

Additional Personalisation: For an additional charge of just £1.50 per necker we can vary the text on **each** necker. So, for example, above the flag it could read "SOMETHING UNIT - FLORIDA 2008", and beneath the flag "THANK YOU TO THE SOMETHING FAMILY". How about that as a great gift to give someone!

Delivery is guaranteed within four weeks of us receiving your payment. If we don't deliver within four weeks, then you will receive the same quantity again for **free!***

Each necker is made of high quality materials. Rigorous quality control procedures are used at both production and despatch stages to ensure that our high standards are maintained. Each necker is individually bagged to help ensure it stays clean and tidy until it is resold/issued.

We would be delighted to provide specific quotes for orders of 100+. Wholesale enquiries welcome.

*Does not apply to items with embroidery, or orders placed during July or August.

Made from 80% cotton, and 20% Polyethylene
